Frequently Asked Questions:

How do I enter the 4 Clubs Challenge at the FSCDA Competition?

We have nominated the Prep D and the B tests (1B, 2B, 3B, 4B) to be the tests that count towards the 4 Clubs Challenge—if you are a financial member of **any** of the four Clubs, you do not have to do anything extra just enter for the 21 April FSCDA Competition and your point score will be forwarded after the event to all four Clubs participating.

Do I have to be an FSCDA member to be part of the 4 Clubs Challenge?

If you are an EA member and are riding at Prep, Prelim or Novice levels, you do not need any membership with the FSCDA (see above). If you are not EA registered you will need to have either FSCDA Day Membership (\$15) or FSCDA Annual Membership (Single \$50 or Family \$65). If you are riding either the Closed Restricted 3B or 4B classes you will need to have either FSCDA Day Membership (\$15) or FSCDA Annual Membership. Day Membership is offered for this FSCDA Competition only to facilitate participation in the Challenge.

Which 1B, 2B & 3B Test counts towards the 4 Clubs Challenge?

There are both an OC and a CU 1B, 2B & CR 3B. If you are competing at these levels, you can choose to enter any one of these tests. The judges will be the same for both the OC, CU 1B, 2B and CR 3B tests. Your score from your test will be counted towards the 4 Clubs Challenge.

Do I have to nominate my “home” club?

No, this is not an interclub competition. Whether you are a member of one or more clubs does not matter.

When are the other clubs running their 4 Clubs Challenge Event?

MEA Championships was the first leg of the 4 Clubs Challenge. The 21 April Competition will be the FSCDA Challenge Day. BSS will be hosting the Challenge at the 9 June Competition & EDA at their 18 August Competition. You do not have to compete at every event to be included.
