Protocol Sessions are blocked out in Yellow. Outside these times the Arena 2 is available to use for Familiarisation for our Protocol Riders. Some Riders are travelling & have requested specific times which I have included mostly in Arena 1.

Those riders that have requested AF only have been allocated a time in Arena 1. The green shaded times in Arena 1 are available for Protocol riders.

The Booking Sheet will be at the Showground to claim a preferred time or you may email me before the event to enter your name on a first come basis in either Arena.
